*Charming, affluent
bedroom community,
just eight miles from the
George Washington
Bridge!*

The Tenafly Brook Duck Pond and the 19th Century railroad station are central characters in this sought-after town, where the residents are predominantly business professionals looking to relax in a small-town atmosphere where there are excellent schools and a simple way of life. The town's landscape remains uncluttered by too many businesses, yet it remains vitally near to towns such as Cresskill, Tenafly, and Closter – all bursting with commerce.
